Hi Ramesh,

Shilpa Nandi is a new resource from .NET area who is working on a couple of enhancements. We have raised a request (**RITM1186244**) to add her ID to a GAD group (PAGSQL\_AZCORP\_EIDM\_DEVELOPER) that is specific to EIDM .NET developers.

Can you please provide your approval, so that she will get the required databases and shared paths to handle the ongoing developments.

Please let me know if you need any information.

Thank you,
